

Advanced Oil-less Linear Air Pumps Series

Features ;

- Oil-less operation
- Injection molded body
- Completely oil-free & Light weight
- Low noise & vibration, leak tight
- Distinguished long life & easy to maintain

Applications ;

- Medical, Dental & E.N.T. Equipments
- Environmental equipments
- Industrial equipments
- Using as blower

Dimensions : Unit in Millimeters

Model : 40LND
126(W)×95(D)×84(H)

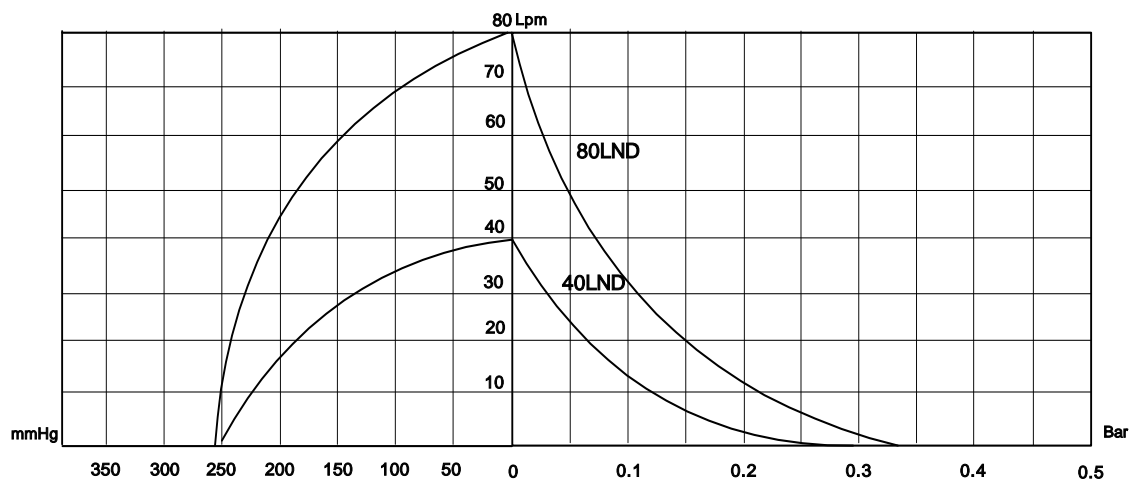

Model : 80LND
178(W)×129(D)×108(H)

Specifications

MODEL	40LND	80LND
Free Flow Rate	40 L/m	80L/m
Max Pressure/ Vacuum	0.3 bar / 250 mmHg	0.33 bar / 260 mmHg
Power Consumption	40W	80W
Weight	1.0 kg	2.2 kg

Performance Curves of Linear pump

Oil-less Linear Diaphragm air Pump
